

## Advice

Our in-house immigration team will provide advice on the best work permit for each applicant's situation, and break down the process.

## Work Permit Processing

Communicate with staff regarding the support they will receive.

Prepare the application and submit necessary documentation through the IRCC Employer Portal.

## Documentation

Provide staff with work permit paperwork before they travel to Canada and answer any questions they have about this process.

## Emergency Support

Provide 24/7 emergency support if applicants have any challenges when they arrive in Canada.

## Consultation

Provide general consultation when requested, regarding employment as an international staff in Canada (e.g. Social Insurance Number, bank account, health insurance).
